

# Declaration of disqualification, conflicts of interest and other ties for experts and specialists of the Swedish Radiation Safety Authority

## Personal data

First name:

Heidi

Last name:

Danker-Hopfe

Title:

Prof. Dr. rer.nat. (PhD)

Committee/council/expert group:

- I have read the Authority's information concerning disqualification, conflicts of interest and other ties in connection with my assignment as a member of the above-mentioned committee/council/expert group. In connection herewith, I have provided a description below of positions held by me, assignments or other circumstances which, directly or indirectly, might be deemed to have a bearing on my assignment from the Swedish Radiation Safety Authority.

## 1. Employment background

This refers to positions held in the immediately preceding past four years that might be viewed as related to the assignment from the Swedish Radiation Safety Authority. Please note that the past two years are attributed the greatest importance.

Name of employer	Position/function and relevant dates

Additional details

--

## 3. Consulting assignments

This refers to consulting assignments over the immediately preceding past four years as a past or present employee or business owner that may be viewed as related to the assignment from the Swedish Radiation Safety Authority. Please note that the past two years are attributed the greatest importance.

Source of consulting assignment	Principal nature of the assignment and relevant dates
PAREXEL International	External consultant for study protocols related to clinical trials (phase I, II and III) concerning compounds in sleep medicine (no general contract, study specific contracts – rarely)

Initials...HDH...

Additional details

--

#### 4. Other ties

This refers to:

- relatives or other personal relationship to someone conducting an activity encompassed by items 1–3 above,
- shares/options or a similar holding in an undertaking,
- other kind of tie to undertakings or associations,
- ties to undertakings or associations whose work is closely related to one's own field of expertise and which might be deemed as related to the assignment from the Swedish Radiation Safety Authority,
- holding a patent or other asset of intellectual property, commissioned professional assignments for another party or in one's own business/own activity or comparable form of or ownership of rights which might be assumed to have or be attributed a commercial value, and
- other short-term or long-term commissioned assignments of a more or less temporary nature that might be deemed as related to the assignment from the Swedish Radiation Safety Authority.

This disclosure refers to ties over the immediately preceding past four years related to the assignment from the Swedish Radiation Safety Authority. Please note that the past two years are attributed the greatest importance.

Activity	Name/context and relevant dates
No	No

Initials...HDH...

Additional details

[Empty rectangular box for additional details]

**5. Other circumstances**

This refers to circumstances which, to an outside party, might appear to serve as a factor that could influence you in your assignment from the Swedish Radiation Safety Authority.

[Empty rectangular box for other circumstances]

**I have no ties or other circumstances to disclose of the kinds referred to in items 1–5 above.**

I undertake to immediately notify the Swedish Radiation Safety Authority in the event I should, within the duration of my ongoing assignment for the Authority, accept an assignment or receive a contribution/sponsoring by an undertaking, a trade organisation or other party whose interests are related to my assignment or which otherwise might be assumed to directly or indirectly have an influence on my assignment. I am aware that this disqualification declaration constitutes an official document which is usually made public.
